Lesson 11 Describing Order of Events -Hot Springs-

【English】

Father : Hey, they have ping-pong. Erin, have you played ping-pong?

Erin : Yes.

Father : All right, then, let's have a match!

Mother : Right now? Why don't you play after taking a bath?

Father : If I do that, I'll just get sweaty again.

Father : Sweating comes before the hot springs.

Mother : There's no stopping him once he has said something.

Mother : Sorry, Erin, but would you play with him for just a bit?

Erin : OK.

Erin : ...

Mother : Erin is the winner!

Father : OK, let's take a bath!

Mother : Really, how self-centered! Erin. Let's go.

Erin : OK.
